

Lanay Shippert, an EWC Adult Education graduate, "It's never too late to finish what you started when it comes to schooling."

## **GOLDEN GRADS PROGRAM**

# **FREE CLASSES FOR SENIORS!**

Golden Grads is offered through the Adult Education program at Eastern Wyoming College and is open to anyone 55 years of age or older. Program emphasis will be on developing reading, writing, mathematics, social studies, and science skills while integrating computer literacy as needed for a high school equivalency examination. Individuals who simply want to brush up on any of these skills may also enroll.

Challenge your grandchildren to complete high school by showing them you can do so as well!

So get out your thinking caps and give us a call!

**Beginning in  
January 2018**

**Classes are taught  
locally**

**It's never too late to  
earn a High School  
Equivalency!**

**Sharpen your mind  
through standards  
based education**

**Learn computer  
literacy through  
reading and writing  
as needed for the  
HiSET exam**
