Early Head Start has services for pregnant moms and children birth to three years old which include home visits and socialization experiences.

Head Start and Discovery Preschool classes for three to five year old children include one class that meets 4 times per week (Monday through Thursday) for 4 hours and one class that runs 5 days a week for 6 1/2 hours.

Developmental Disabilities services are available to all birth to five year old children with special needs

Screenings are provided as part of Child Find, in cooperation with Platte County School District #1

We take applications year round for openings that come up and in the Spring for Fall enrollment!
